

Nordco Curve Gang Spiker (CGS) Critical Components

Critical for Propulsion	
Part Number	Description
59427951	Main Pump
37750013	Destroke valve
1699037	Brake valve
1699045	Propel valve
1623566	Relief cartridge
3880253	Pressure filter assembly
50230026	Propulsion motor
28551843	Brake cylinder
96410975	Foot switch harness
5128260	Foot switch
70900075	Brake shoe
75105560	Sprocket
24266670	Chain
73032901	Bushing
75105701	Sprocket
73032904	Bushing
3350185	Key
5398875	Bearing
42350094	Propel harness
1605222	Make-up check valve

Critical for Spiking	
Part No.	Description
1623540	Pressure reducing cartridge
5121046	PLC
25560626	Hammer
5196101	DPDT relay
5196102	Latching relay
26600610	Hand controller
42350079	Hand controller harness
5129105	RPC 2.0 A
5129100	RPC 0.5 A

Critical for Gaging	
Part No.	Description
28550132	Gager raise/lower cylinder
750243	Gager clamp cylinder
28553594	Pre-gager cylinder
28553595	Gager cylinder

IMPORTANT NOTE: These are general recommendations. Parts may vary based on the model and configuration of your machine. Consult Nordco Parts at 1-800-647-1724 for more information.
