

Aftermarket Parts Report

Current information on Nordco Maintenance-of-Way machine parts and kits

Issue 13 January, 2010

Meet your Nordco Aftermarket Parts Sales & Service Team

We are pleased to announce that Linda Gonzalez has joined the **Nordco Aftermarket Parts Team** as Senior Parts Sales Representative. Linda has spent almost her entire career with Nordco, and has served the company in a wide variety of roles related to machine parts. Regardless of the type or age of your Nordco machine, Linda will put her knowledge and expertise to work for you to ensure you get the best solution to your application. Linda's fellow team members are Parts Sales Representatives Jim Bernard, Diana Mussatti and Tom Worden. Collectively they have more than 30 years experience at Nordco in Parts and other areas of the company. To talk to one of our Parts Reps call us at **1-800-647-1724**, or email **Parts_Sales@nordco.com**.

Nordco CX Hammer.

96430635, 98760009
Manifold O-Ring Kit.

Parts in the spotlight...

Each month we highlight new and particularly useful parts

New Escapement Cylinders

The Escapement Cylinder 28550002 originally included on the BAAM Anchor Applicator and M3 has been superseded by part number 28550003. The new cylinder features a more durable shaft. For Union Pacific M3 with special tie plates, use Escapement Cylinder 28550037.

Escapement Cylinder 28550003.

Featured product: Insertion Speed Control Kit

Part number: 98760289
