

# Aftermarket Parts Report

Current information on Nordco Maintenance-of-Way machine parts and kits

Issue 36, December 2011

## Visit Nordco at the NRC Conference

Nordco is once again participating in the annual National Railroad Construction and Maintenance Association (NRC) Conference and Exhibition. This year's event takes place at the Hotel Del Coronado in San Diego, California January 4 - 7. Visit our exhibit at **Booths 91 - 92**. Representatives of Nordco will be on hand to provide information on our entire product line, including **machine parts and repair and upgrade kits**.

*Nordco's exhibit includes a wealth of product information, including video of our MOW machines like this NSCA Spring Clip Applicator.*

## Featured Product: Rail Clamp Wheel Kit

**Part number:** 98760029 (Non-Insulated)  
98760030 (Insulated)

**Can be used with:** TRIPP Tie Exchanger  
All serial numbers

**What it does:** Replacement of all components in the Rail Clamp Guide Rollers except wheels. One kit per machine.

**Description:** The kits include the following:

### 98760029 Non-Insulated

Part #	Qty.	Description
2774521	16	Capscrew .312 X .75
3060467	16	Washer SAE .312
3060500	24	Washer SAE 1.000
3064467	16	Lock Washer .312
5371725	8	Ball Bearing
5405244	4	Retaining Ring
22103265	8	Bushing .989 X 1.25 X 1.31LG
54261725	4	Truck Wheel Axle

*98760029 Rail Clamp Kit Non-Insulated. See description below for parts included in both the Non-insulated and Insulated kits.*

### 98760030 Insulated

Part #	Qty	Description
2774561	16	Capscrew .312 X 1.75
3060467	16	Washer SAE .312
3060500	24	Washer SAE 1.000
3064467	16	Lock Washer .312
5371725	8	Ball Bearing
5405244	4	Retaining Ring
22103266	8	Bushing .989 X 1.25 X 1.31LG
54261730	4	Truck Wheel Axle (Insl.)
56831095	8	Axle Retainer

## Parts in the spotlight...

**Each month we highlight new and particularly useful parts**

**MANIFOLD DIN CABLES:** Nordco has consolidated multiple Manifold DIN Cables into just two part numbers. This makes it easier for customers to order and keep the cables on hand. The following DIN cables supersede to a single part number:

From left, 192" DIN Cable 22311075 and 48" DIN Cable 22311026.

<u>Part number</u>	<u>Supersedes to</u>
22311010 (19"), 22311012 (24"), 22311016 (28"), 22311025 (36")	22311026 (48")
22311030 (60"), 22311042 (107"), 22311053 (132"), 22311060 (178")	22311075 (192")

If necessary, the 192" DIN Cable can be used in lieu of any of the shorter cables if you don't have a 22311026 48" Din Cable available.

## Featured Product: Rail Clamp Pin Replacement Kit

**Part number:** 98760024

**Can be used with:** TRIPP Tie Exchanger  
All serial numbers

**What it does:** Complete replacement of Pivot Pin assembly. Originally introduced as a Pivot Pin upgrade, now standard on Nordco TRIPP machines. The pin has a threaded hole on one end and is secured with a capscrew, spacer and collar, thereby reducing movement of the pin if the clamps are closed when machine is moving. (See PSB 2005-002). Two kits required per machine.

**Description:** The kit includes one each of the following parts:

- 54050096 Rail Clamp Pin
- 63892090 Spacing Ring 2.75 X 2.312
- 86041342 Pin Retaining Washer
- 2775801 Capscrew .625 X 1.5
- 3064482 Lock Washer .625
- 3801052 1/8 PT Straight Grease Fitting

Nordco TRIPP.
