

Aftermarket Parts Report

Current information on Nordco Maintenance-of-Way machine parts and kits

Issue 32 August, 2011

Visit Nordco at Railway Interchange/2011

If you are going to attend the Railway Interchange/2011 event in Minneapolis be sure to visit the Nordco exhibits. Members of **Team Nordco** will be on hand to tell you about our complete line-up of products and services, including Machine Parts and Upgrade Kits. There will be an outdoor display of Nordco machinery in addition to our indoor exhibit. This major railway industry trade show and technical conference takes place at the Minneapolis Convention Center September 18 - 21.

NEW from Nordco

Featured Product: Momentary Open-Close Kit

Part number: 660243

Can be used with: NSCA Spring Clip Applicator
All serial numbers

What it does: Provides enhanced control when applying spring clips. Clips are normally squeezed into place in a single action. Installation of the Momentary Open-Close Kit provides operators "inch to close" capability whereby springs are applied incrementally with manipulation of the joystick. One kit per machine.

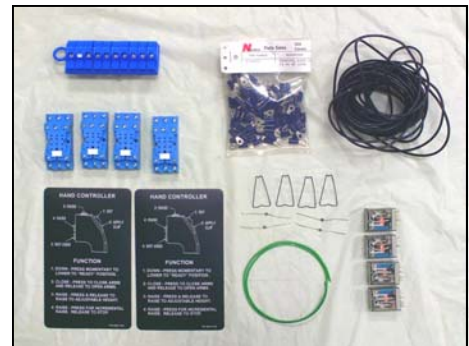

Description: The kit includes the following:

Qty.	Part #	Description
4	29680002	Diode
4	5155165	Relay Socket
4	5158420	Relay Clip Retainer
4	5195889	3PDT 24V W/Diode Relay
2	56400160	Hand Controller Decal
1	520343	Wire Marker W/Tape Dispenser

Kit also includes wire, ring terminals and 480159 installation instructions.

Nordco NSCA Spring Clip Applicator.

660243 Momentary Open-Close Kit.

For a complete list of machine kits, go to Maintenance-of-Way Parts at www.nordco.com and click on Search for Repair and Upgrade Kits.

Find out “What’s New” in Nordco Parts

We recently redesigned the “What’s New” page in the **PARTS** area of the Nordco website at www.nordco.com.

This section offers an easy-to-access list of parts product literature, including general product information, and detailed descriptions of specific Repair and Upgrade Kits. Recent additions include information on Nordco Machine Sun Shade Kits.

Featured Product: Brake Assemblies

Part number: 96350760 Brake Cylinder Assembly
98410528 Cobra Brake Kit Assembly

Can be used with: CX Hammer
Model C Spiker
99C Spiker
All serial numbers

What it does: Fast and easy replacement of complete brake cylinder and spring assembly; or cylinder and spring assembly plus brake head assemblies. One kit required per wheel.

Description: 96350760 Brake Cylinder Assembly includes 28551843 Cylinder; 3627950 Compression Brake Spring and all required hardware in preassembled unit.
