Current information on Nordco Maintenance-of-Way machine parts and kits

Issue 44 August, 2012

Visit Nordco's Exhibit at Two Upcoming Industry Events

If you are attending the American Railway Engineering and Maintenance of Way Association (AREMA) Annual Conference and Exhibition, make sure you visit the Nordco exhibit in Booths 322 - 326. Representatives will be on hand to tell you about Nordco's complete line of new and rebuilt Maintenance-of-Way Machinery; Machine Parts and Repair and Upgrade Kits; Ultrasonic Rail Inspection Products and Services and the Nordstar Proximity Awareness System. The event takes place at the Chicago Palmer House Hilton September 16 - 19. Nordco is also exhibiting at the InnoTrans International Trade Fair for Transport Technology in Berlin, Germany September 18 - 21.

Nordco's booth at the 2011 AREMA conference. This year Nordco is introducing a completely redesigned show exhibit.

Online Parts Manual Resource Continues to Grow

Nordco continues to add to its database of electrical, mechanical and hydraulic parts manuals. The online resource includes manuals for all current machines and most older machines. We are continuing to add manuals for new machines as they become available, as well as machines no longer in production. To access the manuals, go to the [Parts](#) page in the [Maintenance-of-Way](#) section at www.nordco.com. Then select [Online Parts Manuals](#). Search by machine type and serial number range to find the exact manual you need.
