

## Featured Exchange and Rebuilt Component: TRIPP Remover with Gripper Assembly

Part number: 90760021

Machine: TRIPP Tie Exchanger, all serial numbers

**What it does:** The Remover with Gripper Assembly is a complete Boom and Gripper package for the Nordco TRIPP Tie Exchanger. It includes all required mechanical and hydraulic components pre-assembled into a ready-to-install unit.

### What it does for you:

The TRIPP Remover with Gripper Exchange Assembly offers multiple benefits:

#### Convenient

- No need for you to repair or upgrade individual parts. Install a complete upgraded machine workhead in a single step.
- No need to scrap or store worn-out components. Recycle them instead.
- Aids in maintenance planning. Change out components on a regular schedule.
- Ready availability. Nordco maintains an inventory of this and other exchange units.

#### Cost-effective

- Get a like-new component at a reduced cost.
- Full Nordco new-component warranty applies.

Top: Nordco TRIPP Tie Exchanger.  
Middle: Complete TRIPP Remover with Gripper Assembly.  
Bottom: Close up of Gripper Assembly.

### The Nordco Exchange Component Program

Nordco offers an extensive selection of Exchange Components for our Maintenance-of-Way Machinery. Here's how it works: You send your worn out unit to Nordco. Depending upon the component, we either rebuild your unit or send a completely refurbished replacement. Each month the Equipment Services Bulletin will feature one of our Exchange Components.
