

**Visit Nordco at the ASLRRRA Convention...** If you are attending the American Shortline and Regional Railroad Association (ASLRRRA) Convention, visit Nordco on the exhibit floor. Nordco representatives will provide information on our complete line of Maintenance-of-Way products, including parts and rebuilt components. Nordco is located in booths 1001 - 1003. The Convention takes place at the Marriott Marquis in Atlanta, Georgia April 27 - 30.

## Featured Exchange and Rebuilt Component: Pulling Head Assembly

**Part number:** Various part numbers for right and left hand assemblies.

Options include Standard Spikes, Evergrip Spikes and Power Lock-Ups.

Consult Nordco to determine the right assembly for your application.

**Machine:** SP2R 2-Rail Spike Puller, all serial numbers

**What it does:** The Pulling Head Assembly is a workhead replacement package for the Nordco SP2R Spike Puller. It includes all required mechanical and hydraulic components pre-assembled into a ready-to-install unit.

- No need to repair or upgrade individual parts. Install a complete upgraded workhead in a single step.
- No need to scrap or store worn-out components. Recycle them instead.
- Aids in maintenance planning. Change out components on a regular schedule.
- Ready availability. Nordco maintains an inventory of Pulling Head Assemblies and other exchange products.
- Get a like-new component at a reduced cost. Full new-component warranty applies.

## Featured Product: Valve Kit for M2-14

**Part number:** 98800039

**Can be used with** M2-14 Ballast Regulator and Snow Fighter  
Most serial numbers; consult Nordco to determine if the kit is suitable for your application.

98800039 Valve Kit for M2-14.

**What it does:** Upgraded main hydraulic valves and related components offer improved performance, particularly in extreme weather conditions.

**Description:** Kit includes the following components, plus installation instructions and required hardware:

Qty	Part #	Description
1	500175	6 STATION D03 MANIFOLD ASSEMBLY
1	500628	ELECTRIC PROPORTIONAL VALVE
1	13172254	VALVE MOUNT PLATE
1	26609046	LH JOYSTICK CONTROL W/CONNECTOR
1	26609047	RH JOYSTICK CONTROL W/CONNECTOR
1	56420097	JOYSTICK FUNCTIONS DECALS
1	42350229	PROPORTIONAL VALVE HARNESS
1	13172258	HARNESS CONNECT PLATE
1	42350230	PROPORTIONAL VALVE SEAT HARNESS
1	42350231	JOYSTICK SWITCH HARNESS
1	44300162	CONVERT VALVE HOSE PACKAGE
2	50070025	5 STATION PILOT CHECK MANIFOLD
2	13172255	5 STATION M2-14 VALVE MOUNT
2	13172257	6 STATION M2-14 VALVE MOUNT
2	13172256	VALVE MOUNT BLOCK

## STANDARDIZED TRIPP DOOR HANDLE ASSEMBLIES AVAILABLE

Various cab door latch components have been used over time with the TRIPP Tie Exchanger, so it wasn't always immediately clear which replacement parts to order. In response, Nordco has introduced universal left and right hand door handle assemblies for the TRIPP. Kits can be used with any TRIPP regardless of when it was built. Part numbers are [98760152 RH TRIPP Door Hardware Kit](#) and [98760154 LH TRIPP Door Hardware Kit](#).

## KIT OFFERS SELECTION OF LED LAMPS

Nordco has developed a kit including commonly used LED lights and lamp holders for the machine operator console. It is convenient to have on hand when quick field replacement is required. The [98840011 Lamp Assortment Kit](#) includes 2 each of 5190914 YELLOW LED LAMP 28V; 5190920 GREEN LED LAMP 24V W/LEADS; 5190924 AMBER LED LAMP 24V; 4 each of 5190910 GREEN LED LAMP 24V and 5190912 RED LED LAMP 28V; and 8 each of 5190950 LAMP HOLDER. The kit can be used with the CX Hammer, Model A and 99C Spikers; Production Screw Spikers Model A & B; Spike Pullers LS & LS-2; Ballast Regulators Model KL & M; BC-60 Brush Cutter Rebuilds; Clip Applicators; Clip Removers; and Anchor Remover S/N 670029 & above.
