

Gager Buggy Wheel Assembly Kit

Nordco has introduced the following assembly for use on the CX Hammer Production Spiker.

GAGER BUGGY WHEEL ASSEMBLY KIT

Nordco part number

98410062 (Left Hand Assembly)

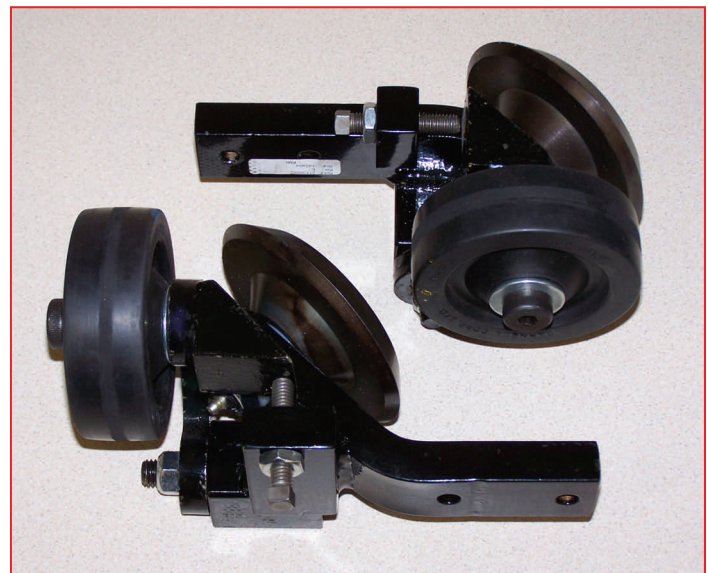

98410063 (Right Hand Assembly)

This kit consists of a complete right- or lefthand gager buggy wheel assembly that can be installed on the CX Hammer in one simple operation.

- Reduced downtime; fast and easy change-out in the field.
- Improved productivity and efficiency; get machines back into service quickly.
- Reduced need for individual component inventory; stock as a complete assembly.
- Install in field or shop.
- Use with all Nordco CX Hammers.

Nordco CX Hammer.
