98310105 9-Window Extended Cab Sun Shade Kit

For all SP2R Two Rail Spike Pullers with Extended Cab

Shades reduce sun heat and glare for machine operators during work and travel.

- Install in shop or field; one kit per machine.
- Grey/gold Mylar film encased in durable black anodized aluminum housing.
- Shades fully retract when not in use.
- Reflective coating on outside shade surface reflects heat away from the window; tinted inside surface reduces glare inside cab.
- Door shades securely held in place to help prevent damage from wind or accidental contact when open.
