

CX HAMMER
4-WINDOW CAB SUN SHADE KIT

Nordco part number
98410255

For all CX Hammer Production Spikers with Cab

Also used with Nipper Clipper
AK-67 with Standard Cab

Nordco CX Hammer.

Shades reduce sun heat and glare for machine operators during work and travel.

- Install in shop or field; one kit per machine.
- Grey/gold Mylar film encased in durable black anodized aluminum housing.
- Shades fully retract when not in use.
- Reflective coating on outside shade surface reflects heat away from the window; tinted material reduces glare inside cab.

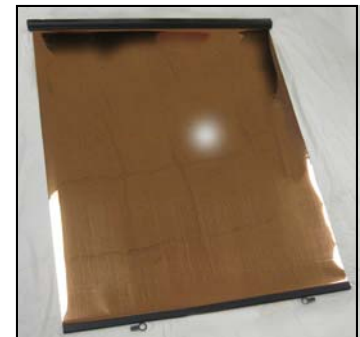

Shades mount to cab interior wall above windows.

The CX Hammer Sun Shade Kit includes:

Part #	Qty	Description
22233111	2	SUN SHADE, 22"W X 50"L FOR REAR WINDOW
22233126	2	SUN SHADE, 27"W X 50"L FOR UPPER DOOR WINDOW

Kit also includes all required mounting hardware and installation instructions.

(Right) 98410255 CX Hammer Sun Shade Kit. The kit also includes mounting hardware. (Far Right) Special reflective outside surface on shades reduces heat and glare in cab.
