

AK-67 ANCHOR REMOVER EXTENDED CAB
8-WINDOW CAB SUN SHADE KIT

Nordco part number
98670017

For all AK-67 Anchor Removers with Extended Cab

Shades reduce sun heat and glare for machine operators during work and travel.

- Install in shop or field; one kit per machine.
- Grey/gold Mylar film.
- Shades fully retract when not in use.
- Reflective coating on outside shade surface reflects heat away from the window; tinted material reduces glare inside cab.

Nordco AK-67 with Extended Cab.

Shades mount to cab interior wall above windows.
