

TRIPP TIE EXCHANGER
3-WINDOW CAB SUN SHADE KIT

Nordco part number
98760246

For all TRIPP Tie Exchanger Machines

Shades reduce sun heat and glare for machine operators during work and travel.

- Install in shop or field; one kit per machine.
- Grey/gold Mylar film in durable black anodized aluminum housing.
- Shades fully retract when not in use.
- Reflective coating on outside shade surface reflects heat away from the window; tinted material reduces glare inside cab.

Nordco TRIPP Tie Exchanger.

Shades mount to cab interior wall above windows.

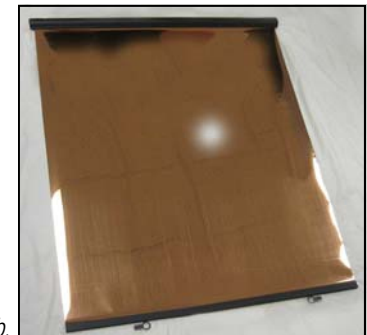

The TRIPP Sunshade Kit includes
