

BAAM Basic Spare Parts Package

Your MOW machine may need service anywhere, at any time. Maintenance delays can idle a crew, wasting your time and costing you money. It is important to always have an assortment of key replacement parts on hand. The **Nordco BAAM (Bulk Anchor Applicator Machine) Basic Package** includes many of the high wear and critical components needed to keep your machine in top working condition, and back in service as quickly as possible. We assembled this package based on our experience and feedback from customers.

With the Basic Spare Parts Package you get:

- **Confidence:** These are Nordco authorized and selected replacement parts, backed by our full factory warranty.
- **The right selection:** These are frequently used parts that help keep a machine in proper working order.
- **The right parts for your machine:** The Basic Package is offered in multiple versions to work with various machine designs.
- **Less downtime:** No waiting for a shipment.
- **Convenience:** No need to coordinate shipping of frequently ordered parts.
