

PRODUCT SUPPORT BULLETIN BULLETIN NO. 307

DATE: **October 29, 1999**

MACHINE: **Model C Spike Driver
Model 99C Spike Driver**

SERIAL
NUMBER(S): **All**

SUBJECT: **Propulsion Pedal Guard – Part Number 38067361**

A guard has been designed to cover the propulsion foot pedals on these machines. This will reduce the possibility of accidentally stepping on the pedals when mounting or dismounting the machine.

The guard is welded to the existing foot switch-mounting bracket and takes only a few minutes to install. Two guards are required per machine to cover both sets of pedals.

Please contact your NORDCO Representative or the NORDCO Parts Department for pricing and availability.
