

# Aftermarket Parts Report

Current information on Nordco Maintenance-of-Way machine parts and kits

Issue 15 March, 2010

## Parts resources on Nordco website continue to grow

Go to [www.nordco.com](http://www.nordco.com) and click on the PARTS tab at the top of the homepage...

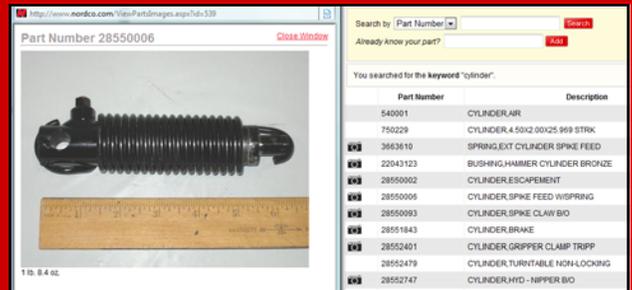

### MORE ITEMS ADDED TO KIT SEARCH

We regularly add new repair and upgrade kits to this database, which is searchable by keyword, machine type, kit part number and key component. Close to 250 kits are listed; many include photos, drawings and other information.

### SEARCH OUR HUGE PARTS DATABASE

The parts database includes more than 5,500 components. Find what you need by entering the part number or keyword. We are in the process of adding photographs and weights to many of the items. With both the Parts Database and Kit Search you can click on items to add them an online order request form.

## NEW from Nordco

### Featured product: Crossing Alarm Switch Kit

Part number: 98690014

Can be used with: BAAM Anchor Applicator  
All serial numbers

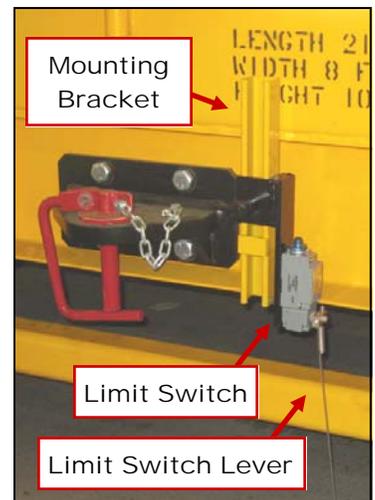

What it does: Prevents damage to workhead by providing operator with audio and visual alarm when approaching crossings. Limit switches mount on front and back of machine for operation in either direction.

Description: Includes 2 Limit Switches, 2 Mounting Brackets, 2 Limit Switch Levers, LED Light, Warning Buzzer, hardware and installation instructions.
