

# Aftermarket Parts Report

Current information on Nordco Maintenance-of-Way machine parts and kits

Issue 20 August, 2010

## Check out our website for the latest PSBs

Nordco Product Support Bulletins include important information about Nordco machines and components. PSBs are added to our website as soon as they are issued. Go to [www.nordco.com](http://www.nordco.com) and click on Technical Support to view a list of the most recent PSBs, and to access the complete library of PSBs searchable by keyword, machine type, serial number, date, PSB number or type (Directive, Alert, Product Improvement, Information).

## Visit Nordco at AREMA

If you are attending the 2010 American Railway Engineering and Maintenance-of-Way (AREMA) conference and exposition in Orlando, Florida, be sure to visit the Nordco exhibit in booths 610-614. The event takes place at the Orlando Hilton August 29 - September 1. Representatives from the Nordco Family of Companies will be on hand to answer your questions on our complete product line of machines, machine services and parts.

Search for Product Support Bulletins using one or more of these parameters. Entering more information will narrow the search and return the PSBs that most closely relate to your needs.

Keyword \_\_\_\_\_

Machine name CX Hammer

Serial(s) All

Date from 8/31/2009 to 8/1/2010 ie. 12/31/2003

Nordco CX Hammer.

Curve Block (left) and Standard Anvil Sleeve.

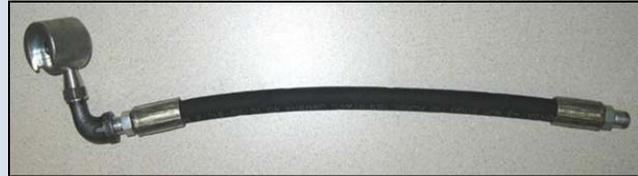

98410456 Standard Anvil Sleeve Kit.

## Parts in the spotlight...

Each month we highlight new and particularly useful parts

**98510091 Crawler Grease Hose Kit** provides easy access to the crawler grease port on the Nordco NETP Epoxy Tie Plugger. This simplifies and speeds up the greasing operation. The kit includes greasing hose with 90-degree elbow and special grease fitting.

Top: Nordco NETP Epoxy Tie Plugger.  
Right: 98510091 Crawler Grease Hose Kit.

## Featured product: Spike Tray and Tray Head with Carbide Tile Inserts

**Part number:** 82090200 RH 5/8 Cut Spike Tray  
82090202 LH 5/8 Cut Spike Tray  
82090210 RH 5/8 Cut Spike Tray Head  
82090215 LH 5/8 Cut Spike Tray Head

**Can be used with:** CX Hammer  
C-CX Conversion  
SS Spiker  
Model C Spiker  
99C Spiker  
All serial numbers

**What it does:** Carbide tiles reduce machine downtime by extending the life of the Tray and Tray Head.

**IMPORTANT:** A left hand and right hand Tray Head and Tray are required due to placement of the tiles.

**Description:** Nordco Spike Tray Head and Spike Tray with durable carbide tiles installed on wear surfaces.

Top: Nordco SS Spiker, one of several machines that can use Spike Trays and Heads with Carbide Tiles.  
Middle: Spike Tray Head and Spike Tray.  
Bottom: Arrow shows placement of carbide tiles on tray.
