Issue 24 December, 2010

Visit Nordco Booth at NRCMA Conference

The Nordco family of companies will be well-represented at the 2011 National Railroad Construction and Maintenance Conference and Exhibition in Fort Lauderdale, Florida. If you are attending the conference, be sure to visit us at Booth 201 to learn more about our full range of capabilities, including aftermarket parts and kits. The event takes place January 5th through 8th at the Marriott Harbor Beach Resort.

Nordco is a familiar sight at many industry events.

Nordco welcomes new Parts Team member

If you called Nordco Parts recently you might have noticed a new voice on the phone. Charlie Briggs has joined Nordco as Senior Parts Sales & Service Representative. Charlie brings a wealth of mechanical, electrical and hydraulics experience to Nordco. Nordco Machine Parts and Operations Manuals

Can't locate the parts and operations manuals for your Nordco machines? Don't worry, if we built the machine, odds are we can produce a hard copy manual. It's a good idea to replace manuals on a yearly basis to make sure you have the most up-to-date information. Contact **Nordco Parts** to determine the right manuals for your equipment. Of course, most of our electrical, mechanical and hydraulic machine information is also available online. Just go to the **Parts** page at www.nordco.com and click on **online parts manuals**.

Nordco machine manuals are available in hard copy and on our website.
