

# Aftermarket Parts Report

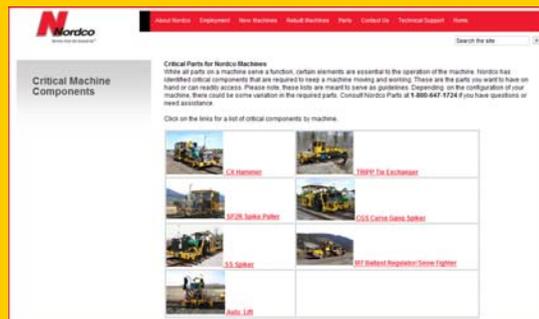

Current information on Nordco Maintenance-of-Way machine parts and kits

Issue 23 November, 2010

## Critical component lists now available for multiple machines

Nordco has compiled lists of critical parts required to keep machines moving and working. They are useful guides to help determine which parts to keep on hand. Lists are available for the CX Hammer, SS Spiker, CGS Curve Gang Spiker, TRIPP Tie Exchanger, SP2R Spike Puller, Auto Lift and M7 Ballast Regulator/Snow Fighter. Go to the main **Parts** page at [www.nordco.com](http://www.nordco.com) and click on **Critical Machine Components**, then select machine type.

## Featured Product: Espar Cab Heater Kit

**Part numbers:** 98411207

**Can be used with:** All CX Hammers with Cab

**What it does:** Increases operator comfort and helps keep windshield from icing up. Diesel fuel cab heater (3,400 - 13,650 btu/hr) draws in cool outside air, heats it, and delivers it to cab interior. The heater works independent of the engine, making it possible to heat the cab without running the engine. Ideal for extreme cold weather operations where additional cab heating is required.

**Description:** Kit includes 43800035 24V Espar Airtronic 4 Heater, plus all required installation drawings, cables, brackets, supports, clamps and hardware.

Nordco CX Hammer.

For a complete list of machine kits, go to Parts at [www.nordco.com](http://www.nordco.com) and click on [Search for Repair and Upgrade Kits](#).

## Parts in the spotlight...

Each month we highlight new and particularly useful parts

### 7078070 POCKET-SIZED DIGITAL VOLT/OHM METER

Check voltage, ohms and continuity. Compact device fits in pocket or toolbox. For additional diagnostic tools, see the **Nordco Troubleshooting Tool and Service Parts** guide at [www.nordco.com](http://www.nordco.com). Go to the main **Parts** page and click on **"What's New"** to find this and other information on Nordco Maintenance-of-Way machine parts.

## Featured Product: Kent Hammer Charge Kit

**Part number:** 98410014

**Can be used with:** All Nordco Spikers with 28560610 Kent Hammer

**What it does:** Aids in measuring and maintaining proper nitrogen charge in hammer accumulator; helps ensure optimum hammer performance.

**Description:** Includes hoses, gauges and fittings required to connect Kent Hammer to nitrogen tank. Kit also requires 7020105 Pressure Regulator.

Charge Kit 96430014 is also available for 28560624 & 28560604 Allied Hammers. This kit includes the 7020100 Regulator.
