

CRAWLER GREASE HOSE KIT

Nordco has introduced the following kit for use on BNSF Maintenance-of-Way Machines:

Crawler Grease Hose Kit

Nordco P/N 98510091

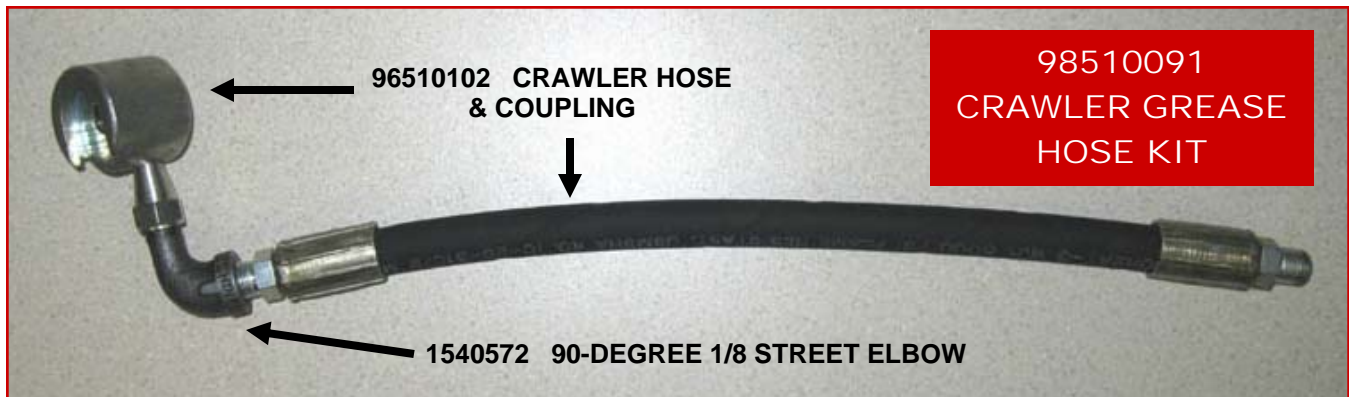

Eligible machines:

All NETP Epoxy Tie Pluggers

Nordco NETP Epoxy Tie Plugger

This kit provides easy access to the crawler grease port on the Nordco NETP Epoxy Tie Plugger. This simplifies and speeds up the greasing operation. The kit includes greasing hose with fitting and 90-degree elbow.

Price: \$120 each

Delivery: Stock to 4 weeks
